Commissioner Kaplan called the meeting to order at 7:35 PM.

On motion of Bill Zimmerman, seconded by Sue Goldman, the minutes of November 6, 2019 were unanimously approved.

The financial report update indicated that expenses were inline and within budget as they have been historically for the last three years. Revenue at this time of year is unpredictable due to ongoing 2020 Golf Membership deposits being paid at member's discretion.

Membership update and comparison was in line with last year's numbers at this same time.

The course report submitted by Jonathan Price included an update on maintenance and projects. Trees throughout the course were pruned, leaves were cleaned up, fescue areas were cut down and drainage was added to areas that needed it. The Golf course staff was able to take vacation time during the holidays.

In marketing and advertising, strategies were discussed on how to build up the golf membership in the areas that have availability. The many ideas and suggestions will be considered as the committee puts together their initial marketing campaign. A new logo is still being worked on and various options are still being considered.

The meeting adjourned at 9:05 PM.

Respectfully submitted,  
Ann Marie Simeoli  
Secretary
