AGENDA

- 1. Approve minutes of November 7, 2018**
- 2. Budget report - David Milner**
- 3. Course report - Jonathan Price**
- 4. Cups for water.** While in Florida I used their alternative. The cups, lids and straws were not 100% biodegradable- they were 92% in 4 years for cups, 66.2% in 6.6 years for lids and 78.9% in 5.8 years for the straws and worked well. Want to raise and get update on where we are with alternatives.
