Commissioner Hoffman called the meeting to order at 7:30 pm.

On motion of Archie Abrams, seconded by Bill Zimmerman, the minutes of September 9, 2015 were unanimously approved.

Bob Johnston gave an update on the golf course. Necessary irrigation has been added throughout the course.

Commissioner Hoffman reported that it is too early in the year to give an accurate budget report.

Larry Baily reported the mailing resulted in one new full member and a few others still considering membership. Six other members and one corporate membership have joined through the referral plan.

Brad Rudman suggested having an open house seminar, serving lunch and a shot gun start for residents that are not members of the course. Mr. Rudman suggested one commission member play as part of each foursome. This idea was well received and will be scheduled during the springtime.

The commission members reviewed a request from Renee Sommers for a credit due to an injury. Ms. Sommers played 12 times during 2015. The commission members agreed to credit 50% of her dues to the 2016 season.

The meeting adjourned at 9:00 pm.

Respectfully submitted,  
Janet A. Carman, Secretary
